Where is my "courtesy copy" you little wannabe tough guy tattle tales!?

You will regret listening to Robert Kinney. I will never quit until you are accountable for your fraud on the court, your lies to me, and your complicity in Kinney's plan to harm me personally for doing nothing but defending my client in a case in Texas.

The next two years will be painful for each of you. You should have done your research before you started slinging mud. Just remember that you started it.
